EXPERIENCE

Restaurant Manager
Makhachkala, Russia
"CAD"/ Mar 2017 to Sep 2019

- Communicated well and used strong interpersonal skills to establish positive relationships with guests and employees.
- Scheduled and directed staff in daily work assignments to maximize productivity.
- Coached team members on food safety and sanitation processes, customer service, menu education and up-selling techniques to drive revenue.
- Optimized profits by controlling food, beverage and labor costs daily.
- Counseled and disciplined staff to address issues promptly and provide constructive feedback.
- Managed accounts payable, accounts receivable and payroll.
- Performed opening and closing procedures each day.
- Consistently maintained high levels of cleanliness, organization, storage, and sanitation of food and beverage products to ensure quality.
- Resolved problems or concerns to satisfaction of involved parties.
- Reconciled daily transactions, balanced cash registers and deposited restaurant's earnings at bank.
- Applied classic culinary training, awareness of market and menu trends, cost control process and team building to meet and exceed brand-based performance standards.
